SERVICE PORTFOLIO

INTEGRAL LOGISTICS OPERATION

Logistics operations designed jointly with the costumer, implementing the required solution tailored to their needs and expectations.

LOGISTICAL SERVICES

We have a modern winery located in Zona Franca, continuously monitored, with a capacity of 1000 square meters (3500 cubic meters). It has Racks for vertical storage, which guarantees the greatest care of the goods. In addition, we have the experience to organize the goods, providing reliable, safe and timely services such as:

- Logistics services under Zona Franca regime, allowing this to enjoy the existing benefits.
- We have equipment for loading and unloading containers.
- We present immediate reports on the arrival of the goods through our WMS system.
